

# EU-CONEXUS: European University for Smart Urban Coastal Sustainability

10 NOVEMBER 2020

## A strong partnership covering European coasts

Six Universities **together** have built the European University for Smart Urban Coastal Sustainability

— La Rochelle Université,  
France

---

A human-sized university  
specialising in Smart Urban Coastal  
Sustainability issues.

— Universidad Catolica de  
Valencia, Spain

---

Professional and personal growth of  
students, staff and society.

— University of Zadar,  
Croatia

---

A space of creativity and transfer of  
new knowledge and technologies.

— Technical University of  
Civil Engineering of  
Bucharest, Romania

---

We build education in engineering  
since 1818 in Romania.

— Agricultural University of  
Athens, Greece

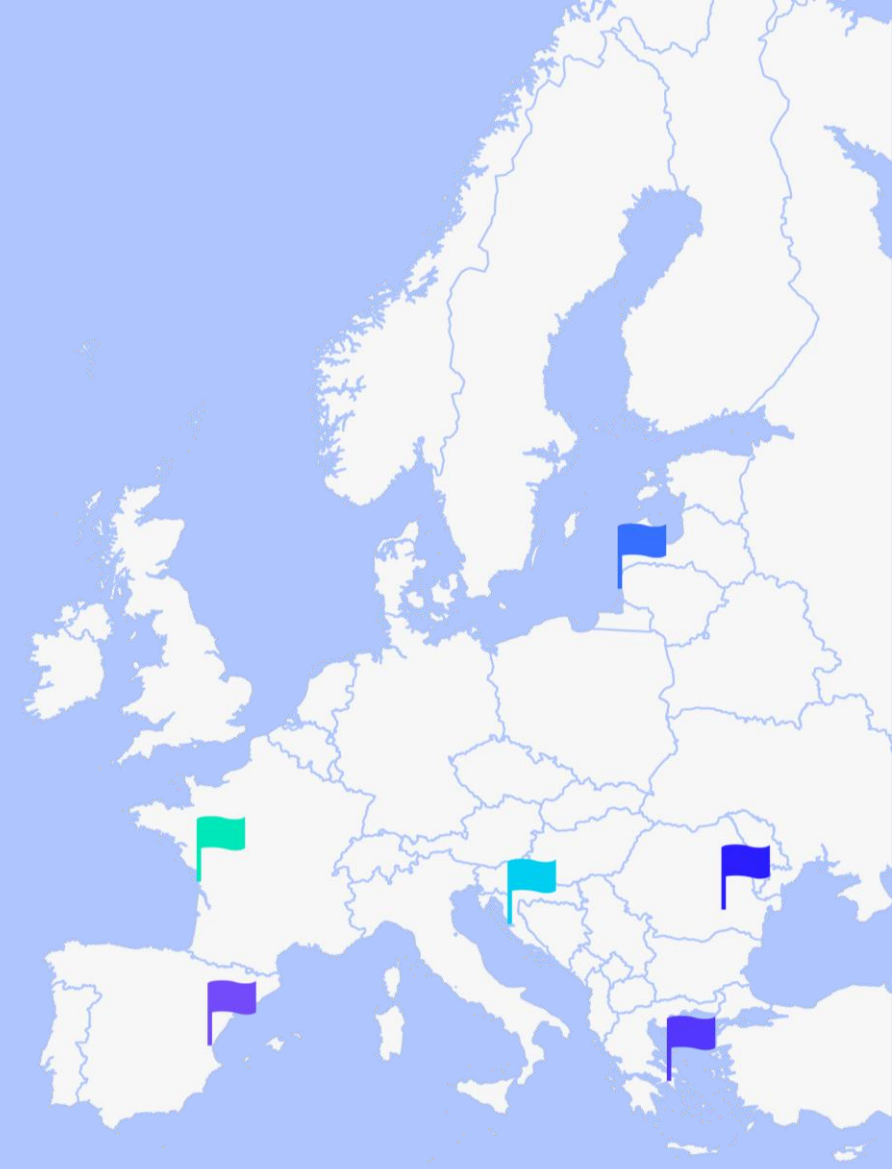

---

Provides a high level of Education and  
Research since 1920.

— Klaipeda University,  
Lithuania

---

A national and Baltic Region leader in  
the field of marine sciences.

# Strong strategic partnership covering all missions of a University

MANAGEMENT

JOINT STUDY  
PROGRAMMES

MOBILITY

JOINT RESEARCH

EXTERNAL AND  
INTERNATIONAL RELATIONS

CAMPUS LIFE

SMART CAMPUS

COMMUNICATION AND  
DISSEMINATION

# | Main objectives of EU-CONEXUS

Joint academic offers

Smart Campus

Blended mobility

Impact on public policies

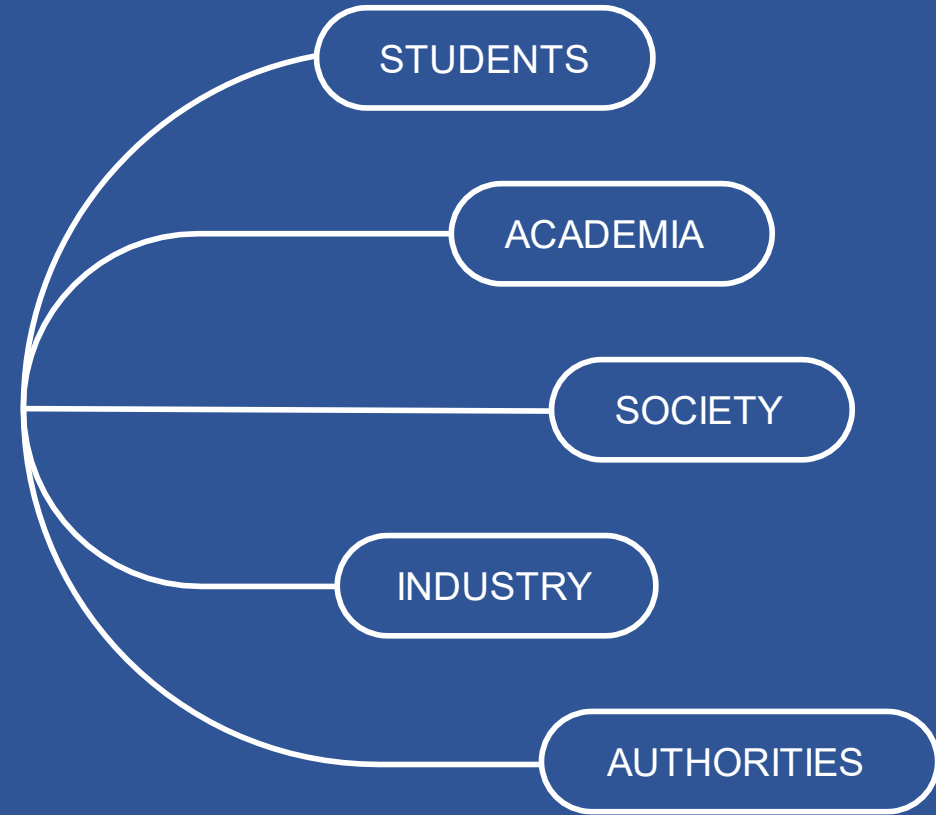

Joint research area

Cultural diversity

University-industry cooperation

Hub of expertise

# EU-CONEXUS for

# EU-CONEXUS for students

EU-CONEXUS OPENS UP OPPORTUNITIES TO ENROL AT ONE UNIVERSITY,  
BE A STUDENT OF SIX

1. Joint study programmes and European diploma
2. Student centred curricula
